<p style="text-align: right;">Page 130</p> <p>1 correct?</p> <p>2 MR. KRAMER: Objection, mischaracterizes,</p> <p>3 compound, argumentative.</p> <p>4 THE WITNESS: That's not what I said. I</p> <p>5 think he has. I'm not accusing him that he did do</p> <p>6 it.</p> <p>7 BY MR. THACKSTON:</p> <p>8 Q. Well, I think Mickey Gunter wrote it,</p> <p>9 that's what he said under oath, right?</p> <p>10 A. Correct, I think, but I have no evidence.</p> <p>11 Q. You just throw out things like that and</p> <p>12 say, well, let's just see if somebody can disprove</p> <p>13 it, I'm just going to say I think Mickey Gunter wrote</p> <p>14 the report, right?</p> <p>15 MR. KRAMER: Objection, argumentative,</p> <p>16 asked and answered.</p> <p>17 THE WITNESS: Not what I said,</p> <p>18 Mr. Thackston. I said I think he wrote the</p> <p>19 report.</p> <p>20 BY MR. THACKSTON:</p> <p>21 Q. Would you know Dr. Su if he walked in your</p> <p>22 office right now?</p> <p>23 A. Maybe.</p> <p>24 Q. Do you know what he looks like?</p> <p>25 A. You want me to describe his body type?</p>	<p style="text-align: right;">Page 132</p> <p>1 2023, and Mickey and I came to this place and I</p> <p>2 signed this report and because I was the author of</p> <p>3 this review report about MAS labs identification</p> <p>4 report.</p> <p>5 So I'm the author of this report and I</p> <p>6 signed it to prove it is ours also.</p> <p>7 MR. GUNTER: Okay, thank you."</p> <p>8 (Video ends.)</p> <p>9 MR. KRAMER: Don't answer any questions.</p> <p>10 Let me object to the use of this video.</p> <p>11 Again, Dr. Su is, as I understand, outside the</p> <p>12 subpoena power of the United States or of this</p> <p>13 Court presently. He's not an expert witness in</p> <p>14 this case. He hasn't been put up for deposition.</p> <p>15 I can't see exactly what he's actually even</p> <p>16 holding in his hand that he's referring to that he</p> <p>17 wrote.</p> <p>18 So, obviously, we will take up any issues</p> <p>19 of admissibility for use of this at trial at the</p> <p>20 appropriate time.</p> <p>21 MR. THACKSTON: I'll mark as Exhibit</p> <p>22 Number 13 the notarized report from Dr. Su that</p> <p>23 he's referring to in the videotape.</p> <p>24 (Exhibit 13, Su report and notarization,</p> <p>25 was marked for Identification.)</p>
<p style="text-align: right;">Page 131</p> <p>1 Q. No, I just want to know have you ever met</p> <p>2 him.</p> <p>3 A. I may have met him in the past because he</p> <p>4 has audited our lab. I'm sure I have.</p> <p>5 Q. Would you know him if you saw him?</p> <p>6 MR. KRAMER: Asked and answered.</p> <p>7 THE WITNESS: Maybe.</p> <p>8 BY MR. THACKSTON:</p> <p>9 Q. Do you know who that gentleman on the left</p> <p>10 is?</p> <p>11 A. What I recall Gunter looking like.</p> <p>12 MR. THACKSTON: I'll mark as number 12 and</p> <p>13 I'll ask the court reporter to take down the words</p> <p>14 in the video.</p> <p>15 (Exhibit 12, video, was marked for</p> <p>16 Identification.)</p> <p>17 BY MR. THACKSTON:</p> <p>18 Q. Do you know who that is on the right?</p> <p>19 A. I think that may be Dr. Su.</p> <p>20 Q. I'd ask you to listen to the videotape.</p> <p>21 (Video played.)</p> <p>22 MR. GUNTER: And my colleague here is?</p> <p>23 DR. SU: I'm Shu-Chun Su and I'm here</p> <p>24 visiting from China here to the states to visit my</p> <p>25 daughter and I -- this is today August the 28,</p>	<p style="text-align: right;">Page 133</p> <p>1 BY MR. THACKSTON:</p> <p>2 Q. Dr. Longo, first of all, did you hear the</p> <p>3 conversation between the two gentlemen on the</p> <p>4 videotape?</p> <p>5 A. Yes, sir.</p> <p>6 Q. Do you have any reason to doubt that that's</p> <p>7 Dr. Su?</p> <p>8 A. I have no reason to doubt it.</p> <p>9 Q. And if Dr. Su notarized a copy of the</p> <p>10 report, do you have any reason to doubt that that's</p> <p>11 an authentic notarization of Dr. Su given when he was</p> <p>12 in Washington, DC to visit his daughter last week?</p> <p>13 MR. KRAMER: Objection. There's no notary</p> <p>14 in video, there's no indication that a notary is</p> <p>15 even there.</p> <p>16 So answer to the extent you can,</p> <p>17 Dr. Longo.</p> <p>18 THE WITNESS: If that's the actual report,</p> <p>19 then I have no reason to dispute it, if, in fact,</p> <p>20 that is the report.</p> <p>21 MR. THACKSTON: And we'll make number 13</p> <p>22 the affidavit that's been notarized in connection</p> <p>23 with the report.</p> <p>24 BY MR. THACKSTON:</p> <p>25 Q. Okay. So would you consider criticism made</p>

<p style="text-align: right;">Page 186</p> <p>1 Q. And to your knowledge, has anyone seen the 2 second round of testing that you did for the Kasen 3 firm other than the Kasen firm? 4 A. I don't know of anybody else. 5 Q. Do you know whether they have agreed with 6 the Simmons firm that they can use the second round 7 of testing that you did for the Kasen firm? 8 A. Oh, the second round, you mean the second 9 14 samples? 10 Q. Right. 11 A. Yeah. I don't know. It's up to them to 12 figure it out. 13 Q. Okay. And to cover all the tests you've 14 ever done on Clubman, the only kind of contamination 15 you think exists is the short chrysotile in the 16 0.0002 range? 17 MR. KRAMER: Form. 18 THE WITNESS: I don't know -- you know, 19 our amphibole so far, amphibole asbestos have been 20 non-detect. So all I can say is we haven't seen 21 any yet in our detection limit. 22 BY MR. THACKSTON: 23 Q. And what you've found is what you believe 24 is the SG-210 compatible chrysotile at the level I 25 just stated?</p>	<p style="text-align: right;">Page 188</p> <p>1 CERTIFICATE OF OATH 2 3 4 I, the undersigned authority, certify that 5 WILLIAM E. LONGO, PhD gave remote testimony on 6 September 1, 2023 and was sworn under penalties of 7 perjury. 8 9 WITNESS my hand and official seal this 5th 10 day of September, 2023. 11 12  13 14 BEVERLY BOURLIER JAMES 15 My Commission #GG355486 16 Expires September 9, 2023 17 18 19 20 21 22 23 24 25</p>
<p style="text-align: right;">Page 187</p> <p>1 A. Well, it's not so much compatible, it's 2 almost a match for the characteristics, the 3 dispersion staining, the -- which is the main thing, 4 the birefringence calculations are about the same. 5 Q. Did I get the percentage right, 000 and a 6 digit of a percentage? 7 A. That's our -- that's about our detection 8 limit. 9 Q. Okay. I understand you have to go at 5. I 10 have no more questions. I thank you for your time 11 and happy birthday. 12 A. Thank you. 13 THE VIDEOGRAPHER: The time is 5:01 p.m. 14 and this concludes today's deposition. 15 (The deposition was concluded at 16 approximately 5:01 p.m.) 17 18 19 20 21 22 23 24 25</p>	<p style="text-align: right;">Page 189</p> <p>1 REPORTER'S CERTIFICATE 2 3 4 I, BEVERLY BOURLIER JAMES, Registered 5 Professional Reporter, certify that I was authorized 6 to and did stenographically report the foregoing 7 remote deposition of WILLIAM E. LONGO, PhD; and that 8 a review of the transcript was not requested; and 9 that the transcript is a true and complete record of 10 my stenographic notes. 11 I further certify that I am not a relative, 12 employee, attorney, or counsel of any of the parties, 13 nor am I a relative or employee of any of the 14 parties' attorney or counsel connected with the 15 action, nor am I financially interested in the 16 action. 17 Dated this 5th day of September, 2023. 18 19  20 21 BEVERLY BOURLIER JAMES 22 Registered Professional Reporter 23 Certified Realtime Reporter 24 Florida Professional Reporter 25 Georgia Certified Reporter</p>
